III. PUBLIC COMMENT PERIOD

Chris Oliver, Oliver Oil Company appeared before City Council asking if they would grant them permission to enter into the City. He stated that it is because of police protection and fire ratings that would allow them a better cost for insurance. He stated that the store would be just like the one on Cabinet Shop Road.

IV. MINUTES APPROVAL

A. City Council - Regular Meeting - Nov 13, 2017 6:00 PM –

Councilman Maynor asked that Item D. Denied the Request from Donovan Oliver for Non-Contiguous Annexation petition for property located at the corner of NC Hwy 711 and Deep Branch Road be pulled from the Consent Agenda.

Councilman Maynor stated that he would like to explain why this item was denied. On the motion of Councilman Maynor and second of Councilman Cantey, Item D. as referenced above was pulled from the Consent Agenda. It carried unanimously.

Councilman Maynor stated that everyone knows that the reason for this request is to bring beer and wine into the City. He stated that since he has been on Council it has been a policy to deny non-contiguous annexations and if we did any different with this application that the City would be setting a precedence to open the City up to receiving many of the same requests and if you do it for one then we would have to do it for all.

Councilman Maynor made a motion that the City deny this request for non-contiguous annexation. This motion died for the lack of a second.

Mr. Oliver stated facts concerning the distance in which other stores are located and were annexed into the City and that our only concern is not the selling of beer and wine. He stated that they have had several break-ins and the Sheriff Department took forever to respond. He stated that they were having the same problem at one of the other stores and once it was annexed the problem has diminished greatly.

Mr. Oliver reiterated the facts concerning the police protection and the fire ratings. He stated that these are our reasons for wanting the annexation.

Councilman Wilkins expressed his concerns and asked if this is a request that we can send to the Planning Board. Planning Director Love stated that the next step would be for the City Clerk to certify the sufficiency of the petition. City Attorney Moore explained that once the Clerk certifies the petition that it would come back to Council so consideration.

After much discussion, Councilman Wilkins made a motion directing the City Clerk to investigate the sufficiency of the petition, seconded by Councilman Robinson. Two negative votes were casted by Councilmen Maynor and Howard.

D. Denied the Request from Donovan Oliver for a Non-Contiguous Annexation petition for property located at the corner of NC Hwy 711 and Deep Branch Road - Council Policy Committee

The Planning & Neighborhood Services Department received an application for a non-contiguous annexation from Donovan Oliver requesting that property located at the corner of NC Hwy 711 and Deep Branch Road (Parcel # 1610-02-02901) be annexed into the City of Lumberton.

The current use of the property is a gas station and the property is currently zoned City of Lumberton B-2 (Business Community). Therefore, a rezoning is not required.

BACKGROUND: On September 8, 2008 City Council voted to deny Sonny Oliver Realty's request to annexation this property.

Recommends that City Council direct the City Clerk to investigate said petition.

I. 2419 : Approval of Contracts with Dixie Youth Baseball for Tournaments - Council Policy Committee
Recently several members of the leadership of Dixie Youth Baseball, Inc., whose World Series we will be hosting in July, came to Lumberton to discuss preparations for the event. During their stay, the contracts attached to this agenda item were presented and preliminarily reviewed by staff. We wanted the Mayor and Council to be aware of the terms of our arrangement with Dixie Youth Baseball. Their contracts are rather standard from one year to the next, and given the nature of the tournaments it does not appear there is much room for negotiations. I will be glad to answer any questions.
Approve contracts submitted by Dixie Youth Baseball, Inc.

VI. PUBLIC HEARING:

A. Public Hearing and Authorization to Submit CDBG Neighborhood Revitalization Application – Brandon Love, Planning Director
Tonight's public hearing is the second of two required public hearings which is conducted prior to the City's submission of the CDBG-NR application. The City intends to submit its application for funding in the amount of $750,000 to NC Department of Commerce Rural Development Division. Income and housing condition surveys have been conducted for (8) properties located outside of the 100 yr. floodplain that received damages from Hurricane Matthew. Grant activities consist of acquisition, clearance, relocation, housing rehabilitation and housing reconstruction.
Recommend City Council conduct the Public Hearing, adopt the resolution authorizing submission of the grant application and adopt the Citizen Participation Plan.

VII. NEW BUSINESS

A. Award Contract for Alleyway and Plaza Improvements – Council Policy Committee -- Brandon Love, Planning Director
Del Crawford of Crawford Design Company received bids on Friday, December 22, 2017 at 2:00pm for improvements to the alleyway directly behind the Carolina Civic Center and renovation of the downtown plaza. Seven general contractors received construction documents and bid packets, however only two were returned. The bids were opened the week of January 1st and Hayes, Inc. of Fayetteville was the low bidder with a total project cost of $609,900. Greenstate, Inc. of Lumberton was the second bidder with a total project cost of $672,728.
Mr. Crawford has identified select demolition items that the City may undertake "in house" in an effort to lower to total project amount. The value of these in-kind services totals $46,200. Attached to your agenda you will find an itemized cost breakdown of the entire downtown revitalization effort as well as a detailed funding summary. $194,340 will be funded by the NC Department of Commerce grant, with the remainder of the funding from the General fund, Capital project reallocation, in-kind services and the Economic Development fund. Staff recommends that CPC award the contract to Hayes, Inc. of Fayetteville in the amount of $553,700.

B. Purchase of New Dodge Durango for Public Works – Council Policy Committee -- Rob Armstrong, Public Works Director

Attached is a quote from the North Carolina State Contract for a new Dodge Durango 4x4 for Public Works. The Durango replaces a 2005 Mercury Grand Marquis with 110,000 miles. Recent experiences with Hurricane Matthew and winter weather have led us to purchase a four wheel drive vehicle with a little higher ground clearance than the Grand Marquis. The total State Contract Price for the vehicle is $37,835. Public Works has $32,000 budgeted in the current Fiscal Year Capital Budget. We are proposing that we transfer $5,835 from the Water and Sewer Capital Reserve Fund to cover the difference.
Public Works is requesting Council approval to purchase a 2018 Dodge Durango from the North Carolina State Contract for $37,835. $32,000 of this amount will come from the Capital Budget. $5,835 will be transferred from the Water and Sewer Capital Reserve Fund to cover the difference.

E. Asphalt Tack Machine Purchase – Council Policy Committee -- Rob Armstrong, Public Works Director
Public Works currently has a small 250 gallon asphalt tack machine that is over 11 years old. It's designed with a manual spray wand and to hold enough tack to accommodate a patching crew. We have modified the machine with a spray bar and use it for tacking streets ahead of our paving projects. It's really not design to support an overlay project where we are spreading a large amount of tack over several blocks. One issue is the tank is not large enough to complete full day paving project and we have to go out and hunt down the Barnhill tack truck and reload. The other issue is the modification is burning our pumps regularly. We have gone thru 7 pumps @ $900 each in the last couple of years with the latest change out in December. We would like to purchase a new tack machine with larger storage tank (575 gallon) and larger pump that can be used for over lay tacking as well as patching. Attached are quotes for the new machine.
Sealmaster: $17,705.00, JFW Equipment (Marathon): $19,550.00 & Gregory Pool (Leeboy): $17,825.00 (when heater is added).
Public Works is requesting authorization to purchase a new Asphalt Tack Machine from Sealmaster for $17,705.00 to be paid for with Water and Sewer Capital Reserve funds.

F. Vapor Intrusion Evaluation Proposals at CDBG Demolition Site – Council Policy Committee -- Rob Armstrong, Public Works Director
The NC Department of Environmental Quality is requiring the City to conduct a vapor intrusion evaluation at the areas of 608 Town Common and 610 First Street where two industrial buildings were demolished using funds provided by the State Commerce CDBG program. The evaluation will determine if the previously petroleum contaminated areas were sufficiently mitigated. Teresa Johnson received 3 proposals from qualified service providers and collectively staff scored each proposal based on the matrix below. This work will be paid for using the CDBG grant funds.
